

Title I Annual Parent Meeting Notice and Agenda
2023-2024

February 2024

Dear Parents and/or Guardians:

Desert Heights Charter Schools is proud to be able to meet the needs of our students. It is our goal that every student will succeed. Title I funds are provided to Desert Heights Charter Schools by the federal government to assist students in the general education classroom who may need supplemental support to meet Arizona's academic standards. As part of this commitment, we provide Multi-Tiered Systems of Support (MTSS) reading and/or math interventions to those students during the grade level intervention period within the school day.

As we seek to provide every opportunity for our students to develop, we need your input. Research shows that when parents are involved, students succeed. Therefore, we are looking for parent representatives to participate in annual meetings to review the Title I program we have in place. This is an informational presentation regarding MTSS programs at DHCS that are provided using funding from Title I.

Should you have any questions regarding the Title I-funded MTSS programs, please contact the Title I department at 602-896-2900. Thank you!

Scheduled date for the Annual Title I Parent Meeting, via in-person meeting:

Wednesday, March 6, 2024, 3:15-3:45 PM, in room 503, at the Charter campus.

Sincerely,

Mrs. Susan Otto, M. Ed.
ESEA Coordinator, K-12

Title I Annual Parent Meeting Agenda 2023-2024

Wednesday, March 6, 2024
