# GRADUATION REQUIREMENTS

Students will be responsible to complete their ECAP (Education Career Action Plan) each school year. Advisors will meet with each student within the year to review their ECAP along with their graduation requirements to ensure students are on track for graduation.

All graduation requirements will need to be logged into Naviance for your ECAP and confirmed by your grade level Advisor.

### Community Service Hours Verification

Students must use the X2Vol App to receive confirmation and validation of completing 25 volunteer hours for the school year. Student cannot have more than 10 volunteer hours from DHPA.
